You do not need to take any action in response to this notice. DIRECTV, LLC has filed the required application with the CPUC, and a copy of that application has been available at <https://pacificregion.att.com/dtv-california/> since April 15, 2021. When the transfer is complete, DIRECTV, LLC will continue to provide the U-verse IP-enabled video service where currently available pursuant to, and be bound by, the requirements of the franchise. Our customers will continue to receive the same high-quality service that they enjoy today without need for any additional action on their part.

I expect my team to remain as your local U-verse representative. If you have any questions regarding this matter, or if you would like us to send you a paper copy of the application, please contact Ross Johnson, Director-AT&T Regulatory, rj2397@att.com, (415) 417-5028.

Sincerely,

Rhonda Johnson
