

Belinthia Berry, M.S. is a native of Tampa, FL. She holds a Bachelor of Science degree in Public Relations with a minor in Human Resources from Florida A & M University and a master's in organizational leadership and Management from Springfield College. She is also certified in Media Sales, Contract Training and holds several leadership certificates. Belinthia is the Director of Corporate College where she provides direction and management for SPC's Corporate Contract Training, Lifelong Learning, Recreation and Leisure, SPC College for Kids and SPC Silver Scholars programs to meet the needs of local and national businesses, industry, and individuals. Her experience is diverse and includes community, government, and media relations; consultative and business development; events and communication planning and social media.

As an advocate and community servant, Belinthia provides service and advocacy to her community through several nonprofit organizations. She currently serves as a Board of Director on the National Board and local President for the National Coalition of 100 Black Women, Inc. Tampa Bay Area Chapter. In addition to, a member and Chaplin of the Tampa Metropolitan Chapter of Delta Sigma Theta Sorority Inc. Belinthia was appointed to the Hillsborough County Charter Review Board by Commissioner Kim Overman and recently appointed to the Tampa Bay Healthcare Collaborative which promotes and advance the health and wellness of those underserved through community collaborations. Belinthia finds time to give her time, talent, and treasures back to the community by donating, providing her time to write grants/fund raise and provide direction on critical programs to assist the community.

Belinthia has overcome many health and mental obstacles in the last two years by pushing through with assistance from medical physicians, family, and friends. She has recovered by leaps and bounds because giving up was not an option for her. As a transformational leader her vision is to inspire women whether young or old to become involve in their communities, workplaces, and all over the world. "We need to build the next generation of women leaders to replace the leaders we have today."

She inherited the legacy of leadership and wants to pass the torch and leave a foundation for others young girls to follow. Her ultimate goal is working towards leaving a legacy.
