

## AT&T Expands Fiber Network to Help Close Digital Divide in Lauderdale Lakes

*AT&T Fiber, Ultra-Fast Internet Speeds Now Available to More Locations in Broward County*

FORT LAUDERDALE, FL., JULY 13, 2022 — Continuing our efforts to close the digital divide and connect people wherever they live and work, [AT&T](#)<sup>†</sup> is expanding its award winning internet service to more residential and small business locations across Broward County.

This week, AT&T announced new availability of AT&T Fiber<sup>SM</sup> to nearly 700 customer locations in parts of Lauderdale Lakes

The expanded network will give more customers access to ultra-fast home internet speeds up to 5-Gigs.<sup>1</sup> You can sign up to be notified when AT&T Fiber is available to their address through [att.com/notifyme](https://att.com/notifyme).

AT&T is committed to connecting more Americans to reliable, high-speed broadband internet in several ways, including expanding and upgrading our network and participating in the federal Affordable Connectivity Program (ACP).

The ACP provides eligible households with a benefit of up to \$30 a month (up to \$75 on qualifying Tribal lands) to reduce the cost of broadband service and can be applied to all our AT&T Fiber speed tiers. After you confirm your [ACP eligibility](#), call us at 866-986-0963 to discuss your options and order service. Be sure to have your National Verifier application ID handy when you call.

Additionally, we recently introduced [a new plan to our Access from AT&T program](#), **providing internet speeds of up to 100 Mbps, where available, for \$0** when combined with ACP.

“We are continually working to help close the digital divide by expanding our fiber footprint and delivering ultra-fast internet that keeps residents and businesses connected,” said Rashad Thomas, Regional Director, AT&T Florida. “We are committed to investing in the modern, high-speed network infrastructure necessary in today’s economy, and we are also committed to supporting consumers to help remove connectivity obstacles for income-eligible homes.”

AT&T Fiber, now delivering speeds of up to 5-Gigs, is truly internet that upgrades everything. Offering consumers the fastest internet<sup>2</sup> paired with network reliability, AT&T Fiber supports the powerfully interconnected home, work and family life. Our straightforward pricing eliminates annual contracts, data caps, equipment fees and price increases at 12 months, for all new customers. Plus, AT&T ActiveArmor<sup>SM</sup> internet security and our next-gen Wi-Fi are included at no additional cost.

---

<sup>1</sup> **Limited availability in select areas.** Internet speed claims represent maximum wired network service capability speeds to the home and recommended setup. Actual customer speeds are not guaranteed. Single device wired speed maximum 4.7Gbps. For more information go to [www.att.com/speed101](https://www.att.com/speed101)

<sup>2</sup> Fastest among major internet service providers, based on 5Gbps offering.
